ABOUT THE COLLEGE

XITE College is one of the top Colleges in Jamshedpur and has a brand name, XAVIER. It was founded in 2007 in collaboration with XLRI by the members of the Society of Jesus (Jesuits) of Jamshedpur who are pioneers in the field of Education. The College caters to all categories of students while giving preference to talented tribal students to groom them as responsible citizens and professional leaders. The College is accredited by National Assessment and Accreditation Council (NAAC) and is UGC recognized 2 (f). XITE College is committed to imparting academic excellence and professional competence through a value-based education system. The College prepares students as socially and ethically responsible and enlightened citizens of India.

ABOUT THE CONFERENCE

With India completing 75 years of independence, the entrepreneurial spirit seems to have fully blossomed. The start-up ecosystem in India is the third largest in the world with more than 100 unicorns and many more joining the club each year. The effort today is to identify the enablers for such an ecosystem and provide the same to the economy. Some such enablers are developing creative thinking skills, innovation through research and development, building technological expertise, etc. This conference aims to bring together entrepreneurs; both potential and in practice, funding agencies, academicians, to learn, network, and explore the current issues and challenges for entrepreneurs in India and deliberate on measures to promote its development. The conclusions derived from the discussions and deliberations at the conference will help potential and current entrepreneurs to stay ahead of the existing changes that can be expected soon.

**Virtual
Paper Presentation Permitted**
